The Tornado Athletic Boosters Club is a Non-Profit Charitable organization comprised of dedicated parent volunteers, guardians, alumni, coaches, teachers, school administrators, and community members. The TC Boosters Club supports ALL teams and athletes at Tiffin Columbian High School.

Our goals and objectives are to:

- Help maintain and improve athletic facilities at TCS
- Support and recognize the efforts of all teams and athletes
- Provide additional opportunities to our teams and athletes not funded by TCS
- Have ongoing dialogue with the community, increasing awareness of Tornado Athletics

The Athletic Boosters work with the TSC Athletic Department to ease the financial burden of athletic activities and teams. The money collected and raised through our program is given back to the athletes in the form of uniforms, equipment, and so much more. This is accomplished through numerous activities which include, but are not limited to:

Concession Stand Sales – 50/50 Drawings – Program Advertising
Reverse Raffle - Membership Drives

Your name will be listed in the Sports Programs, at least twice a school year, and you'll receive a complimentary Athletic Booster T-Shirt!
