

Technology CIP Action Plan #1 – 2016-2019

(District Goals 8, 9, 10 & 11)

Adopted: September 27, 2016

Need
To create a learning environment where all students will be provided the opportunity to achieve at their full learning potential

Goal
Maintain an ongoing, systematic method of securing up-to-date technology to expand effective technological learning environments
Provide training and knowledge to staff, students, and parents to prepare and teach the TCS family current technological advancements

Performance Indicators
Inventory evaluations of hardware
Adoption and usage of technology by staff in the classroom

Evaluation Process
Physical observation of staff and use of technology
Roundtable conversations with building leaders to assess the use and continued needs of staff

Improvement Strategy
Regular meetings with building administration and central administration on staff needs
Continuous feedback from staff directly on what works and what is needed
Utilize technology staff for feed back on building observations and hardware assessment

<u>Tasks</u> What will be done?	<u>Responsibilities</u> Who will do it?	<u>Resources</u> How will we support?	<u>Time line</u> By when?
Continuous evaluation and purchase plans for new equipment	Technology Staff with input from building administration	Technology funds and general funds	Ongoing
Staff Professional Development	Technology Coordinator/PD Coordinator		Ongoing
Student/Parent Technology Development	Technology Department/Staff support	Technology funds	Ongoing
