

# Notice to TCS Parents of TCS Students and their Chromebooks.

Here is a copy of the AUP form you agreed to on Final Forms along with a copy of the QR code to the Chromebook User policy. <https://bit.ly/3jpVERt>

## Distribution.

Your child's building will inform them on how they will be receiving their Chromebooks either during orientation, the first or second day of school.

## Attention new students to the school district or advancing to the 3<sup>rd</sup> grade.

If you are a new student to the Tiffin City School District, you will be receiving a new or newly used Chromebook.

Any former Krout 2<sup>nd</sup> grade students that will be going into the 3<sup>rd</sup> grade at Krout this year will be receiving their own Chromebook and carrying case for the first time on their first day of school

## If you were unable to return your child's Chromebook last May, please read this.

If your child forgot to return a Tiffin City School Chromebook at the end of May 2021, please remind them to have it fully charged and ready to use on their first day of school. Students do not need to bring their power adapters to school as it is not a requirement. The carrying cases will only allow the Chromebooks to fit inside and nothing else.

## For lost or damaged Chromebooks.

Contact the main office of your child's school building before your child returns to school this year to receive more information about repairs or replacements. TCS district can provide you with a payment plan.

Our district will always work with you to make sure that your child has the technology that they need for their classes.

This offer also includes any Chromebook power adapter replacements.

## For all others.

If your child returned their Chromebook before the end of May 2021, it will be returned to them along with a new carrying case. These cases are designed to allow the students to use their Chromebooks while they are in their cases. Plus, when used properly, they will protect the Chromebooks from extreme damage, which cuts down on time and money spent on repairs or replacing.

The cases have a five year manufactures warranty and they are machine washable **after you've removed the Chromebook from its case.**

We will make sure to provide each child instructions on how to use these covers.
