Supervisor		Date:

Security Request:
DASL Security is User Specific and Security is based on each user's individual needs.
Please note what student information you need to access and why. Be specific in your requests. Include if you need view only, update access, and for which buildings.

(Example: "I need to view a student's contacts to check custodial parent information.")

Please send your security requests to Tammy Harer, DASL District Security Administrator.

Office Use Only:
