

This is for those who have or have not opted into School Messenger, changed their smartphone carrier, or cell phone number and need to receive instant alerts, then I want you to share this in class. want to set up their School Messenger, mobile app.

The Trusted Platform
for School Community Engagement

Parents and Guardians

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number, **67587**.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

**Opt-In from
your mobile
phone now!**

**Just send
"Y" or "Yes"
to 67587**

i Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

Here you can either use your smartphone's camera and hold it to the QR code in the middle of the screen (in the flyer) or type Y or Yes to 67587.

2, You will have to either join by signing up or just log in using the email that is associated with your school account and the password associated with the email.

3, Once you are past the login, you will be asked one more question. Choose Yes. Click save and done.

A screenshot of a mobile app interface. The top status bar shows 'Mail', signal strength, '4:34 PM', and '54%' battery. The address bar shows 'go.schoolmessenger.com'. Below the address bar, there is a text input field with '(567) 220-...' and a dropdown menu labeled 'Is it ok to call this phone number?'. Below the dropdown, there is a paragraph: 'By selecting yes and save, I consent to receive calls containing pre-recorded voice messages.' At the bottom of the form, there are two buttons: 'Cancel' and 'Save'. A red circular button with a pencil icon is also visible. Below the form, there is a 'Done' button. At the very bottom, there is a list of options: 'Is it ok to call this phone number?', 'Yes, it's ok to call me at this number', and 'No, call me for emergencies only'.
