

ABOUT THE CAMP

The Heidelberg Football Youth Camp is designed to serve campers ages 6 to 13 in all areas of football development. The purpose of our youth camp is to teach the fundamentals of football to the youth of Tiffin and the surrounding area. The non-contact instruction by our expert staff is designed to help improve the skill level and football IQ of our campers. The camp will instruct each day on offense, defense, special teams, age appropriate strength and conditioning instruction, and flexibility and speed improvement. We will instruct on academic success and the importance it will have for the camper as he approaches high school and beyond. The coaching staff and players from Heidelberg will work directly with campers to ensure a safe, exciting, and fun-filled experience for all attendees.

Whether you are an experienced player, or a first time participant, our camp will improve your skill and give you a better understanding of the fundamentals, concepts, execution, and team work necessary to form a championship player and team. Each camper will receive a detailed evaluation, a camp t-shirt, and a camp certificate of completion. We look forward to working with your child in a family-friendly, positive, fun-filled environment.

Our camp will run from **Tuesday, July 7 to Thursday, July 9**. The camp will begin at 9:00 AM and conclude at noon daily. Please arrive early on the first day to help with registration. Our staff will be on hand on Tuesday, beginning at 8:00 AM for registration, and will be available for the monitoring of campers at 8:30 for the remainder of camp. Registration, drop-off, and pick up each day will be at Riesen Field, at Hoernemann Stadium located on Heidelberg's campus.
